If neither parent is not going to accompany the child at the camp, please provide instruction on where and to whom the child should be sent to after the camp:

The cost of the summer camp is ¥ 7880 or \$1200, tuition, field trips, meals and accommodations included. Accompanying parents or guests will need to pay an additional ¥ 200/day/person. At this point you only need to pay \$100 place holding fee to ensure a spot at the camp. You'll pay the remaining fees in July when you arrive at the camp.

**Please make check payable to 2TimesFun, LLC and mail it along with completed registration form to:
